

## Dear Colleagues,

This is the first announcement of the German-Austrian Workshop on Breath Gas Analysis. The Workshop is organized by the INP Greifswald in cooperation with the Institute of Community Medicine (ICM), University of Greifswald. It will be held from Monday, June 7 – Wednesday, June 9, 2010 in the Alfred Krupp Wissenschaftskolleg in the centre of the old university town of Greifswald, Germany.

## Scientific Program

The 1<sup>st</sup> German-Austrian Workshop on Breath Gas Analysis will be a meeting which brings together the leading specialists from Germany and Austria working in the emerging field of breath gas research and its application for clinical diagnosis and therapeutic monitoring. The scientific program of this conference covers all modern aspects of exhaled breath gas analysis ranging from sampling techniques, analytical approaches to pilot cases studies. The schedule will include invited lectures, oral presentations and poster sessions as well as social events. This workshop is an important and fruitful opportunity to meet and discuss with the leading German and Austrian scientists of this field.

With this announcement, we would like to invite you to attend this workshop and to ask you for a presentation of your current research in the field of breath gas analysis. The conference language is English. Participants from other countries are welcome.

# Austrian-German Workshop on Breath Gas Analysis

## 1<sup>st</sup> Announcement

Greifswald, Germany  
June 07 – 09, 2010

## Venues

The 1<sup>st</sup> German-Austrian Workshop on Breath Gas Analysis will be held in the Alfried Krupp Wissenschaftskolleg, situated in the city centre of Greifswald with its scenic hanseatic buildings. The conference site is about 10 minutes on foot from the main railway station and near the accommodation for participants. More information on the conference site is available on its web site ([www.wiko-greifswald.de](http://www.wiko-greifswald.de)).

There are several hotels with different star ratings in the area, also some guest houses suitable for smaller budgets. Details on accommodation will be published in later announcements.

You will find more details on deadlines, contributions, schedules, registration fees and accommodation in the 2<sup>nd</sup> announcement, which will be sent via E-mail in early 2010 or on the workshop's web site: [www.breath-gas-analysis.org](http://www.breath-gas-analysis.org). Please note that the main holiday season at the Baltic Sea region begins in June. For that reason accommodation has to be booked early by your own responsibility.

## Preliminary Time Table

### Sunday, June 6, 2010

Afternoon	Arrival
Evening	Welcome reception

### Monday, June 7, 2010

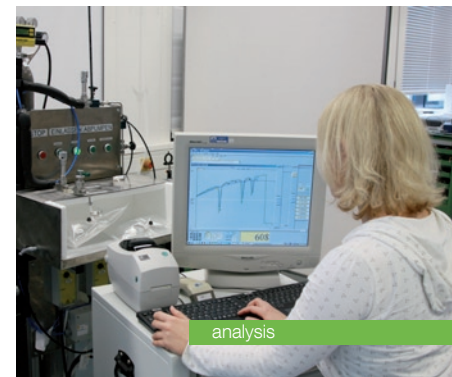

Morning	Opening
	Oral presentations
Afternoon	Poster session / Industrial exhibition
Evening	Guided city tour

### Tuesday, June 8, 2010

Morning	Oral presentations
Afternoon	Excursion
Evening	Banquet

### Wednesday, June 9, 2010

Morning	Oral presentations
Afternoon	Oral presentations

## Industrial Exhibition

It is planned to arrange an industrial exhibition on the workshop.

## Travel Information

Greifswald can be reached easily by train or car from the international airports of Berlin, Rostock/Laage and Hamburg. Details will be given on the web site and in the 2<sup>nd</sup> announcement.

Please bring this announcement to the attention of other colleagues who may be interested in this meeting as well. We are looking forward to see you in Greifswald,

Sincerely yours,

Jürgen Röpcke,  
Chair of the Local Organizing Committee  
of BGA 2010
